## ACCOUNT STATEMENTS:

- Account balances and details are available to the student online 24/7. To access, the student must log into his/her Seawolf online account from the SSU home page ([www.sonoma.edu](http://www.sonoma.edu)). From this site, the student clicks on "Payments". From this point, the student can:
  - Make a Payment
  - View their Activity Details
  - View their recent payments
  - Save a payment method
  - Set up Payer Access (see below)
- PAPER ACCOUNT BILLING NOTIFICATIONS ARE NOT PROVIDED. Activity Details are available 24/7. Students will receive an email notification on a monthly basis if there is an account balance due. Students are required to adhere to published payment deadlines. Deadlines are posted online in many places: the Registration website, the Seawolf Service Center website, the Spring 2026 Schedule of Classes, and the SSU Academic Calendar.
- PAYERS: A student must designate a PAYER in their PAYMENTS tile in order for their Parent/Guardian/Guest to be able to access financial account information. The PAYER functionality allows parents/guardians/guests to log into the payment site, view/print Activity Details, and make a payment. It will also enable parents/guardians/guests to receive the monthly billing email notifications. More information about PAYER access can be found on the Seawolf Service Center Website (click on the Payment Due Dates/Methods webpage, then click on the Payer Guide webpage).

## WITHDRAWAL REFUNDS:

- Refunds are prorated from the first day of the semester and are based on the official withdrawal date; non-attendance does not constitute withdrawal.
- Adjustment in fees from Full-time to Part-time (dropping courses) ends the last day of add/drop (see Academic Calendar for semester date).
- No refunds are issued for withdrawals occurring past the 60% point of the semester.
- All refunds are issued in the form of a check payable to the student or direct-deposited into a student's bank account. For information on the Direct Deposit of Student Refunds process, including instructions for how to sign-up for this service, visit <https://seawolfservices.sonoma.edu/payment-due-datesmethods/direct-deposit-student-refunds>
- If a student withdraws from classes, account payments made by financial aid, sponsors, or scholarships may need to be directed back to the 3<sup>rd</sup> party rather than refunded to the student.
